Phillip:

I am satisfied with this plan. I would like to know what the Preliminary Cleanup Level would be for the constituents they are having them test for. I does not necessarily need to be included in the sampling plan.

Thanks

All,

Please take a look at this work plan and let me know if you have any concerns; and provide comments as appropriate, and as soon as practical.

As always thanks for your help.

Kindest Regards,

Phil Allen

Phillip,

I am sending you a copy of Superior's work plan and a copy of RRC's response to the work plan.

Last time we spoke you mentioned that you wanted this information.

Thanks,

Heidi
